- 2 outfit changes per location about 45 minutes to an hour per location

LDP - Senior Representative

As a senior rep for LDP, your job is simple! Show up, be yourself, and smile (or don't, if that's your thing) for the camera. There is no additional fee to be senior representative, I just ask that you help in promoting the program. Senior reps will get an additional five photos of the photographers choosing to share online, watermark free. I will also hold a group session for all representatives the spring of their graduation year.

Prints

I use an online platform for all prints, and I strive to offer products at more reasonable prices than some other photographers. The value of a photo sessions, I believe, lie in the sessions themselves, and not in the products. Once images are edited a link will be sent, and you can order at your leisure.

100% of package fee to be paid before final photos sent to client. Photography service fee can be paid by cash, check, or Chase QuickPay
